2026 Marconi Society Corporate Membership Program

Marconi Society

The Marconi Society builds communities of leaders and stakeholders at the forefront of emerging technology so that together we can create a more connected and sustainable world. As an Honorary Society, we recognize and support the top innovators in communications and technology, fostering dialogue and collaboration that drive meaningful advancements. Founded in 1974, the Marconi Society convenes the world's leading technology innovators through its prestigious Marconi Fellowship and programs.

Awards Gala

The Marconi Awards Gala is the Society's signature global celebration honoring groundbreaking contributions to communications and technology. Held on November 5–6, 2026, at the Fairmont in San Francisco, the Gala brings together innovators, industry leaders, and Marconi Fellows to recognize excellence and inspire the next generation of technological progress.

Institutes and Forums

The Marconi Institutes are year-round initiatives convening leading experts to advance research, policy recommendations, education, and collaboration across Advanced Wireless, AI, and Internet Resilience. Their work spans virtual programs, executive councils, and industry partnerships. Each Institute culminates in an Institute Forum, held in person at the Marconi Awards Gala. These Forums bring together global leaders for solution-driven dialogue and set the agenda for continued collaboration beyond the Gala.

- **Advanced Wireless Institute**

The Advanced Wireless Institute unites stakeholders from the wireless ecosystem—vendors, service providers, policymakers, and regulators—to advance ubiquitous and affordable wireless connectivity. By leveraging its legacy, expertise, and global network, the Institute fosters cross-disciplinary collaboration to tackle critical challenges in wireless communication. It bridges technical, industry, and policy communities, producing actionable solutions that ensure resilient and seamless connectivity for all.

- **AI Institute**

The AI Institute is a gathering of executives and decision-makers, fostering a dynamic platform for meaningful conversations about AI's transformative role in shaping global innovation, leadership, and progress. By bridging thought leadership with cutting-edge advancements, the institute empowers participants to navigate the ever-evolving AI landscape and drive impactful strategies for the future.

- **Internet Resilience Institute**

The Internet Resilience Institute addresses the urgent need to enhance Internet security, reliability, and resilience in an era of increasing interdependencies and emerging technologies. By convening global experts in network infrastructure, technical systems, industry, and policy, the Institute fosters collaboration to tackle challenges and failure modes across the Internet's supply chain.

2026 Marconi Society Corporate Membership Program

The Marconi Society's Corporate Membership Program connects leading technology companies with the world's foremost innovators in communications, Advanced Wireless, AI, and Internet Resilience. Corporate Members play a vital role in supporting the Marconi Society's year-round Institutes, Forums, advisory councils, and digital media, while gaining meaningful opportunities for thought leadership, collaboration, visibility, and engagement with global research and industry communities.

Marconi Society Strategic Membership (\$50K Level)

As a Marconi Society Strategic Member, your organization will play a pivotal role in shaping the future of Advanced Wireless, AI, and Internet Resilience. This membership provides executive leadership opportunities, academic collaborations, and exclusive networking at the Marconi Society's most prestigious events. Benefits include the following:

- Recognition as a 2026 Marconi Society Strategic Member
- Executive appointment on all three (3) Institute Advisory Councils
- Four (4) invitations to the VIP reception at the 2026 Marconi Awards Gala
- Prominent speaking opportunity within the Institute Forums
- Participation for two (2) executives in all in-person Executive Forums
- Six (6) registrations to participate in all in-person Institute Forums
- Two (2) tables at the 2026 Marconi Awards Gala
- Feature in the Marconi Society newsletter
- Recognition as the Title Sponsor for one (1) Marconi Society virtual program
- Logo placement on all promotional materials and website
- Facilitated introductions with industry executives, academic leaders, and technology innovators of strategic interest

Marconi Society Visionary Membership (\$30K Level)

As a Marconi Society Visionary Member, your organization will contribute its leadership and expertise to two Institutes of your choice. This membership offers meaningful engagement with advisory councils, high-profile visibility at the Marconi Awards Gala, and opportunities to build key relationships across academia and industry. Benefits include the following:

- Recognition as a 2026 Marconi Society Visionary Member
- Executive appointment to two (2) Institute Advisory Councils of your choice
- Two (2) invitations to the VIP reception at the 2026 Marconi Awards Gala
- Prominent speaking opportunity within one (1) Institute
- Participation for one (1) executive in all in-person Executive Forums
- Four (4) registrations to participate in all in-person Institute Forums
- One (1) table at the 2026 Marconi Awards Gala
- Feature in the Marconi Society newsletter
- Logo placement on all promotional materials and website

Marconi Society Pioneer Membership (\$10K Level)

As a Marconi Society Pioneer Member, your organization gains strategic visibility and targeted engagement across Marconi Society programs. It also enables expanded presence at the renowned Marconi Awards Gala and supports opportunities to deepen both academic and industry relationships.

- Recognition as a 2026 Marconi Society Pioneer Member
- One (1) invitation to the VIP reception at the 2026 Marconi Awards Gala
- Speaking opportunity within one (1) Institute Forum
- Participation for one (1) executive in one (1) Executive Forum
- One (1) registration to participate in all in-person Institute Forums
- Four (4) seats at the 2026 Marconi Awards Gala
- Logo placement on all promotional materials and website

Term of Investment

Corporate Membership is an annual commitment aligned with the Marconi Society's 2026 programs and initiatives. By joining the Marconi Society as a Strategic Member (\$50K), Visionary Member (\$30K), or Pioneer Member (\$10K), your organization will gain high-impact networking opportunities, brand visibility, and strategic influence in shaping the future of connectivity. This investment ensures continued involvement in high-level industry discussions, talent-pipeline collaborations, and solutions-driven innovation across Advanced Wireless, AI, and Internet Resilience.

Conclusion

Partnering with the Marconi Society allows your organization to shape industry conversations, engage with top experts, and expand academic collaborations, reinforcing its leadership in Advanced Wireless, AI, and Internet Resilience. This membership provides unparalleled access to key industry stakeholders, decision-makers, and forward-thinking innovators, ensuring your influence and visibility within these critical areas.
